

PRODUCT NO.: 5947

Dispenser, MD Pump, Actuator D, Green (0.25mL) w/Cap

DESCRIPTION: The new portfolio of MD Dispensers was engineered for accuracy with a medical structure, yet designed to convey a cosmetic appeal. The MD Dispenser will maintain the integrity of a formulation, allowing patients to dose medications easily and accurately. The first of its kind on the market, this dispenser features a UV resistant view window for added convenience.

FEATURES:

-  Airless dispensing
-  Metered dosing
-  Excellent evacuation
-  Minimal priming required
-  UV-resistant
-  Oxidation protection leading to extended product lifetime
-  Hygienic use, no bacterial contamination
-  Latex, BPA and PVC free
