

PRODUCT NO.: 7292

Bottle, 8oz, Amber Graduated

Oval PET, 24-400 w/Cap

Description: This prescription bottle is shatter-resistant for added safety. It bears graduations clearly marked in both metric and imperial measurements and features a wide bottom for enhanced stability. This PET-G oval plastic bottle protects its content from UV rays and is ideal for light sensitive products. This general use bottle is perfect for liquids.
