

MEDISCA[®]
YOUR TRUSTED PARTNER IN COMPOUNDING

PRODUCT NO.: 7323

Dispenser Tip Cap, PreciseDose™ (Light Blue)
Self-Righting, Luer/Oral Slip

DESCRIPTION: These tip caps are made for MEDISCA's PreciseDose Dispenser™, MEDISCA's first line of branded syringes. The intent of these colored tip caps is to allow for easy product identification. Their self-righting nature allows for proper seal of the syringe. The PreciseDose Dispenser™ is an FDA-registered medical device manufactured in an ISO 13485 facility, therefore the tips caps are manufactured in the same facility.

FEATURES:

- ✔ Meets USP requirements
