

**PRODUCT DECLARATION**

**Product name:** BEEF FLAVOR (Powder)  
**Stock code:** 1942  
**Starting material:** Not applicable  
**Manufactured via:** Not applicable

**INGREDIENTS:** Maltodextrin, Yeast Extract, Salt, Natural Flavor, Dried Yeast

**BSE/TSE:** Based on the ingredients, the product is in compliance with the note for the guidance on minimizing the risk of transmitting animal spongiform encephalopathy agents via human and veterinary medicinal products.

**NON-GMO:** Is not derived from genetically modified source materials and does not contain genetically modified DNA or derived from genetically modified DNA.

**VEGAN/VEGETARIAN:** The above flavor is NOT vegetarian due to the Natural Flavor ingredient sourced from Duck Feather.

**GRAS:** All flavoring ingredients contained in the product are approved for use in a regulation of the Food and Drug Administration, or are listed as generally recognized as safe (FEMA GRAS) pursuant to Title 21 of the Code of Federal Regulations (CFR) Part 182.

**ALLERGEN:** Although the manufacturer does not have dedicated allergen free equipment, prevention of any type of cross contamination is a routine operation in any flavor-house. The manufacturer’s 6-step system of cleaning and sanitation assures maximum protection from allergens. Their program also includes allergen identification, special labeling, and employee awareness training. The manufacturer’s is certified SQF and is committed to the development of safe and high quality products. Its allergen policy, as well as meeting the requirements of the SQF standard, follows the recommendations from the Canadian Food Inspection Agency concerning manufacturing processes to reduce the risk of cross-contamination. The manufacturer’s allergen control program and sanitation procedures are rigorously controlled which assures maximum protection. The manufacturer’s program also includes allergen identification, special labeling, employee continuous training and a yearly external SQF certification audit. The following items ARE NOT used in the manufacturing process of the product, and although manufacturer does not specifically assay for the presence of the items below, it is unlikely that any traces of these items are present in the starting materials or in the end product.

The product does not contain the following; however, these ingredients are processed on the same line in the facility -
<input checked="" type="checkbox"/> Cereals containing gluten and products thereof
<input type="checkbox"/> Corn and products thereof (Maltodextrin ingredient may be derived from corn)
<input checked="" type="checkbox"/> Celery and products thereof
<input checked="" type="checkbox"/> Soybeans and products thereof
<input type="checkbox"/> Yeast (Yeast extract and Dried yeast ingredients are derived from yeast)
<input checked="" type="checkbox"/> Fish and crustacean shellfish and products thereof
<input checked="" type="checkbox"/> Eggs and products thereof
<input checked="" type="checkbox"/> Dairy Products (Milk, Lactose, Caseinates, Whey)
<input type="checkbox"/> Sugar (contains 2.40g / 100g)
<input checked="" type="checkbox"/> Peanuts and products thereof (NOT on the same manufacturing line, or in the same plant)
<input checked="" type="checkbox"/> Tree nuts (oils) or derivatives
<input checked="" type="checkbox"/> Mustard and products thereof
<input checked="" type="checkbox"/> Sesame Oil
<input checked="" type="checkbox"/> Preservatives
<input checked="" type="checkbox"/> Sulfites >10ppm (sulphiting agents such as sulphur dioxide and sodium meta bisulphites totaling 10 ppm and more in the product; naturally occurring sulphites are excluded)
<input checked="" type="checkbox"/> Artificial Colors and Flavors
<input checked="" type="checkbox"/> Beef and products thereof
<input type="checkbox"/> Protein (contains 17.74g / 100g)

This allergen statement is for the use of the product in pharmaceutical compounding and is provided for informational purposes only. It is based on information received from the manufacturer concerning the product contents and manufacturing process, and Medisca makes no representations,
