PRODUCT NO.: 6682

EAZY-FILL TOPICAL TRANSFER GUN, MEDISCA

DESCRIPTION: This lightweight and portable Topical Transfer Gun facilitates the transferring of topical preparations from the Electric Mortar and Pestle (EMP) jar to a dispenser of any size. The notched design of the Multi-Mode Plunger Advancement System enables the user to be in better control of their process with both accurate and precise transfers.

Full kit includes handle, push rod, two plunger heads (A & B) and two cradles (A & B).

FEATURES:

- Light weight construction for maximum mobility
- Ergonomic handle provides a comfortable grip with low trigger actuation force required
- Detachable cradle system enables compatibility with multiple EMP jar sizes (100 mL, 200 mL, 300 mL and 500 mL)
- Multi-mode plunger advancement system provides better control with accurate transfers
